

***NORTHEAST ALLIANCE TOURNAMENTS
(NEAT)
2023 – 2024***

Dear Colleagues,

Last year, we introduced a brand-new initiative called, **North East Alliance Tournaments (NEAT)**. This tournament's mission is to provide a pilot program for organizing and running forensic tournaments within the Northeastern United States.

It is no secret that forensics has faced a long decline within the Northeast. As of late, many programs are threatened with budget cuts, abrupt coaching staff changes, and eliminations, and diminished financial support from their institutions. Many endangered programs face an uncertain future during unsettling times.

From Maine to New York and beyond, student-run and small teams are the lifeblood of our regional forensics community. Therefore, NEAT tournaments are a way to strengthen alliances and form new ones. Our goal is threefold:

1. Strengthen and collaborate with existing forensic teams within the Northeast.
2. Assist threatened forensic programs by providing financial and logistical consultation.
3. Outreach by establishing new forensic programs in neighboring colleges and universities.

By encouraging more forensic participation within the Northeast, we hope that our efforts will help strengthen existing programs and create opportunities for small and new teams to flourish within our region in a variety of exciting competitions. We hope to provide teams tournament hosting opportunities throughout the annual competition season.

Our tournaments will offer the following events:

- Individual Speech Events, Open (I.E.) **(offered at all tournaments)**
- National Parliamentary Debate, Open (NPDA) **(offered at all tournaments)**
- International Public Debate, Open (IPDA) **(offered at all tournaments)**

I surely hope that you and your program will join us this season.

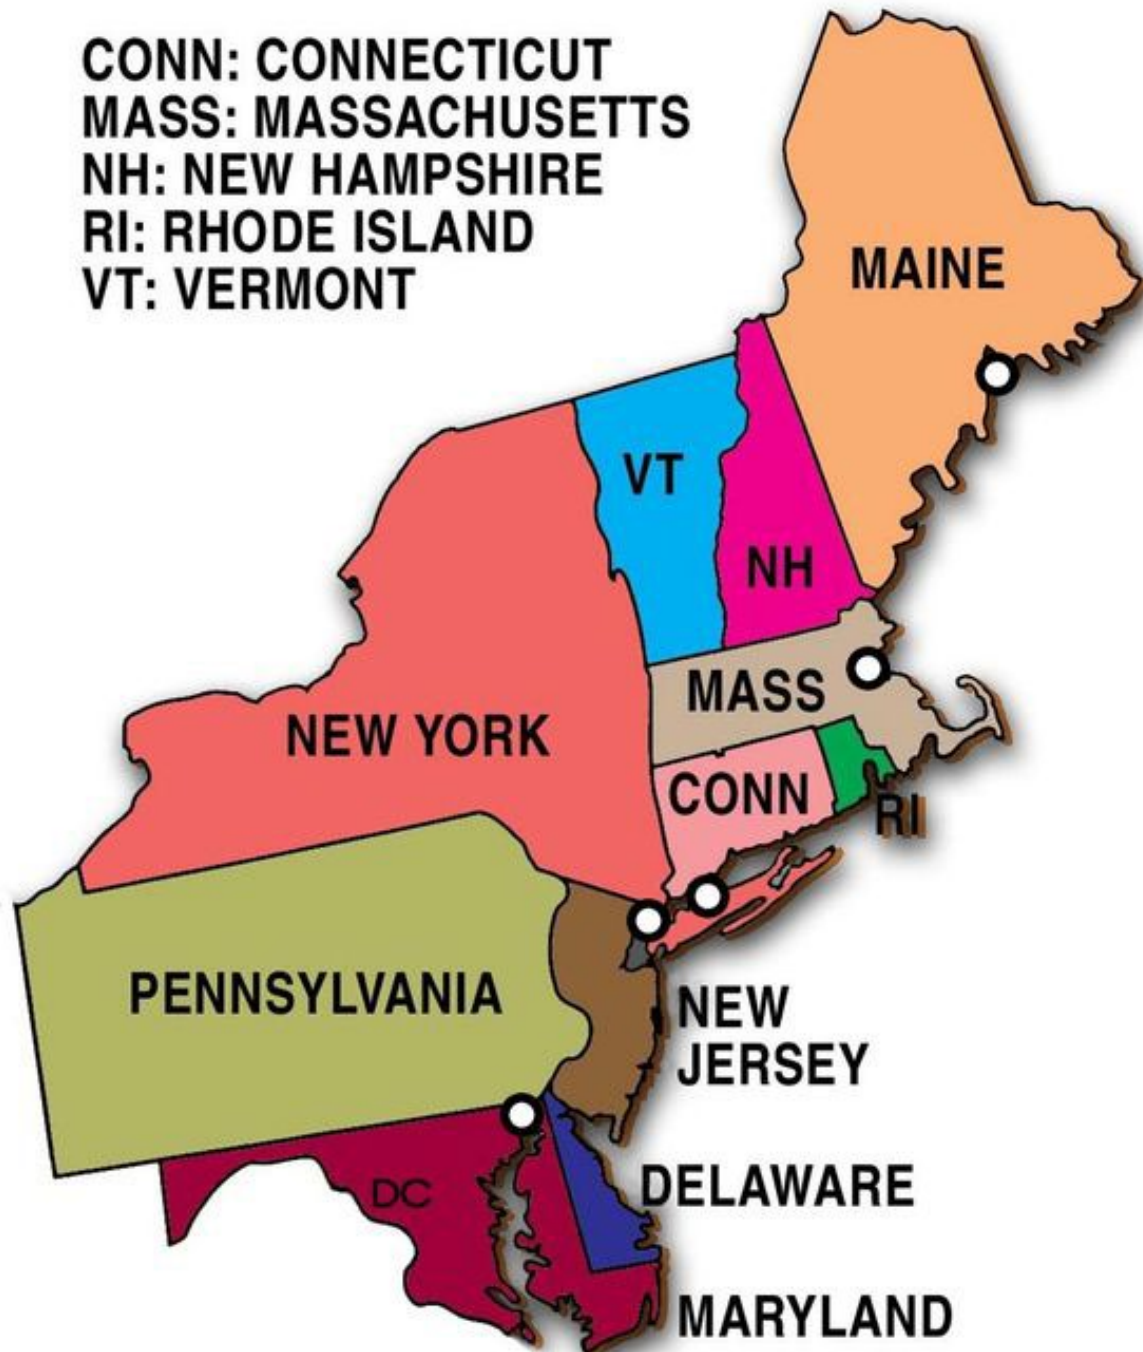

Best,

Randy Perez, NEAT Tournament Director

- Absolutely no individual can debate without a partner in NPDA debate!
- Absolutely no individual can cross-enter in both I.E.'s and debate!
- Any school may enter an unlimited number of students per event provided they supply sufficient judges that covers their entry.
- Each student may be entered up to 3 events per I.E. speech pattern.
- Each student must be eligible to compete under their respective sanctioning organization's rules and guidelines for their event.
- Coaches are highly encouraged to enter their student's pronouns and pronunciation on their Speechwire entry.

TOURNAMENT AWARDS

Due to the economic and environmental costs associated with shipping awards, online certificates will be awarded in place of most trophies.

TOURNAMENT FEES

We genuinely want to provide all programs the chance to participate.

Please contact us if you want to attend the tournament but are concerned about the fees, we are aware some programs have been severely affected by budget cuts and will try to make allowances for those programs.

IF YOU ARE MAKING A PAYMENT EITHER BY CREDIT/DEBIT CARD OR BY CHECK, YOU CAN SEND US PAYMENT VIA YOUR PAYPAL INVOICE. DETAILS WILL BE PROVIDED IN THE COMING DAYS NEAR TOURNAMENT DAY.

ALL FEES MUST BE PAID PRIOR TO OR AT REGISTRATION, UNLESS PRIOR ARRANGEMENTS HAVE BEEN MADE!

TOURNAMENT FEES

1. The following entry fees shall be assessed:
 - School fee \$25 per school
 - I.E. speech slot \$6 per entry
 - IPDA slot \$25 per debater
 - NPDA slot \$50 per team
2. Fees for uncovered debaters will be assessed as follows:
 - Every uncovered speaker = \$10 per I.E. speech slot
 - Every uncovered debater = \$40 per IPDA debater
 - Every uncovered team = \$80 per NPDA team
3. Fees will initially be calculated on the Monday afternoon prior to each tournament at 5PM EST. Late adds/drops will be as follows:
 - Add/drops on the Tuesday & Wednesday prior to the tournament: \$20 per change, plus entry fee
 - **NO MORE ADDS ALLOWED ON THURSDAY!!!!**
 - Drops on the Thursday prior to the tournament: \$70 per drop, plus entry fee
 - **Drops at tournament registration: \$100 per drop, plus original entry fee**
 - **ABSOLUTELY NO ADDS ALLOWED ON FRIDAY AND SATURDAY!!!**
4. Each judge covers:
 - **5 IE slots**
 - **2 IPDA entries.**
 - **1 NPDA team**
 - Therefore, schools with excess entries will be charged “uncovered slots” for every debater that is not covered by a judge. So please make every effort to cover your entry. Schools are responsible for entering their judges as the right judge type when calculating fees.

5. A special note about NPDA judges:

- NPDA judges are handled differently than other debate formats.
- Therefore, each NPDA entry **MUST** provide at least one judge **PER** entry.
- All NPDA judges are expected for judging all rounds, including elimination round(s).
- NPDA judges may not judge other debate formats in our tournament due to time conflicts.

6. Judges who fail to pick their ballots will render their students ineligible for elimination rounds.

7. **Lastly, student-run and small teams are the life blood of our forensics community.** We recognize that so many teams are threatened with budget cuts, coaching staff turnover, and diminished resources from their institutions. If this is your first debate tournament and do not have the means to cover your entire entry fee, please reach out to us and we will be happy to accommodate you. **We want you to attend our tournament and have a great debate experience!** We only ask that you bring enough judges to adequately cover your entry.

IMPORTANT TOURNAMENT INFO

WARM ROOMS

Our tournament will not have "warm rooms." While we encourage cordial and constructive feedback between judges and debaters, judges should not be obliged to engage in conversation with students. Debaters should not pressure their judges for commentary after rounds. **JUDGES SHOULD NOT DISCLOSE THEIR REASON FOR DECISIONS (RFD) DURING OR AFTER ROUNDS!**

JUDGING

All schools should attempt to properly cover their entries. If you have a judge who doesn't feel comfortable judging debate rounds, please note it when you place your entry so that we can accommodate you. We are fortunate to be placed in a region of many highly qualified judges, educators, and former debaters!

DEBATE ROUND FORFEIT RULE

Any debater who is more than 15 minutes late to their assigned virtual room automatically forfeits their round, resulting in a "bye" or automatic win for the opposing debater. Please make every effort to have your debaters appear at their appointed rounds so that our tournament runs smoothly.

ETHICS STANDARDS OF INDIVIDUAL EVENTS AND ALL DEBATE FORMATS

The North East Alliance Tournament will adhere to the rules prescribed by the International Public Debate Association (for IPDA debate), the National Parliamentary Debate Association (for NPDA debate), and the American Forensic Association (for I.E. speech events). Before tournament day, please take time to familiarize yourself and your team to the rules contained within the Constitution and its Bylaws of these organizations.

DEBATE PAIRINGS

Rounds 1 and 2 of IPDA and NPDA will be randomly paired. However, Rounds 3 and 4 of IPDA and NPDA will be power-matched. Brackets will not be broken in elimination rounds.

INDIVIDUAL EVENTS COMPETITION RULES

It is my wish for everyone to have an enjoyable experience at the tournament. To ensure fairness, the following rules will be observed:

IPDA DEBATE COMPETITION RULES

INTERNATIONAL PUBLIC DEBATE ASSOCIATION (IPDA)

It is my wish for everyone to have an enjoyable experience at the tournament. To ensure fairness, our tournament will follow IPDA rules found within the IPDA Constitution and Bylaws which were last updated on October 2018. To view the constitution, please visit the website at: <http://www.ipdadebate.info/constitution--bylaws.html>.

According to the IPDA Constitution, “IPDA” or the “International Public Debate Association” is an audience-friendly debate format with great emphasis on persuasion, rhetorical speaking abilities, and inclusivity of interested individuals who are encouraged to debate “regardless of educational background, prior experience, or any other demographics.” **The philosophic tenets of the IPDA Constitution are sevenfold, which are inclusivity, lay judging, limited preparation, extemporaneous delivery, rhetorical delivery, and ethos.**

It is important to note that IPDA Debate differs from other collegiate debate formats since it encourages lay judging – judges with limited debate experience and training to ensure fairness within debate rounds. **Therefore, handouts of the IPDA debate format will be distributed at check-in to all lay judges who request a copy of the IPDA Debate rules.**

The IPDA Debate format are as follows:

- A. Topics will be announced in-round with 5 topics (2 value, 2 policy, 1 metaphor) provided for strikes. Negative strikes first, and then turns are taken until one topic remains to be debated.
- B. **Debaters will not be allowed to consult any other person during prep time, including coaches.** Per IPDA rules, they will be allowed paper and/or electronic research material, which may be quoted or paraphrased from notes during the round, but not read directly, as extemporaneous delivery is required.
- C. Time limits:

Affirmative Constructive	5 minutes
Cross Examination	2 minutes
Negative Constructive	6 minutes
Cross Examination	2 minutes
First Affirmative Rebuttal	3 minutes
First Negative Rebuttal	5 minutes
Second Affirmative Rebuttal	3 minutes

ADDITIONAL NOTES ON THE IPDA DEBATE FORMAT

- Competitors will receive their topics at their designated competition room 30 MINUTES BEFORE THE ACTUAL ROUND BEGINS. (Example: if the first round starts at 9:00AM, then competitors MUST be at their designated rooms no later than 8:30AM).
- Judges are expected to keep time during rounds. IPDA competitors will have exactly 30 minutes of preparation time following the first negative strike.
- IPDA strike sheets will contain a variety of topics ranging from domestic, economic, social and international events.

NPDA DEBATE COMPETITION RULES

NATIONAL PARLIAMENTARY DEBATE ASSOCIATION (NPDA)

NPDA is the National Parliamentary Debate Association. Our tournament will follow the NPDA rules last updated in March 2008.

The NPDA Debate format are as follows:

- A. Topics will be announced in-round. A different resolution for each round will be presented to the debaters at a specified time prior to the beginning of each debate.
- B. Debaters will not be allowed to consult any other person during prep time, including coaches. Per NPDA rules, they will be allowed paper and/or electronic research material during their prep time, which may be paraphrased from notes during the round, but not read directly, as extemporaneous delivery is required.
- C. The topic of each round will be about current affairs or philosophy. The resolutions will be general enough that a well-educated college student can debate them. They may be phrased in literal or metaphorical language.
- D. Time limits:

Prime Minister Constructive	7 minutes
Opposition Flex Time	2 minutes
Opposition Leader Constructive	8 minutes
Government Flex Time	2 minutes
Member of Government Constructive	8 minutes
Opposition Flex Time	1 minute
Member of Opposition Constructive	8 minutes
