

A Bill to Reevaluate Current Food and Drug Administration Regulations and Approvals

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 **SECTION 1.** The United States Federal Government shall reevaluate all current Food
3 and Drug Administration (FDA) regulations and redraw the approval
4 process for all regulations through the formation of a new
5 sub-committee, Regulation Advisory Committee, under the United States
6 Department of Health and Human Services. The FDA must go under
7 periodic audits to ensure proper quality and analysis of future drawbacks
8 and benefits of introducing new regulations or approvals.

9 **SECTION 2.** The current regulations will continue to be implemented until the process
10 of reevaluation has finished, and the prioritization of regulation
11 revaluation will be based on the Regulation Advisory Committee's
12 discretion and analysis of the status quo on such regulation. Furthermore,
13 the Food and Drug Administration must comply with all directions from
14 the Department of Health and Human Services and will be subjected to
15 audits and random inspection and assessments to ensure continued
16 quality assurance.

17 **SECTION 3.** The United States Department of Health and Human Services along with
18 its Regulation Advisory Committee, will be administering and monitoring
19 all reevaluations.

20 **SECTION 4.** This legislation will take effect on January 1, 2024. All laws in conflict with
21 this legislation are hereby declared null and void.
