Special Notes

General Rules

- We are NOT using the Flex time schedule for NPDA. There will be no cross examination between speeches and no extra prep time during round.
- We are on a strict time schedule, so if the judging sheets from the previous round are in the Tab Room, the topic announcement will happen on schedule, and it is your team's responsibility to have someone in there to hear the announcement.
- The Tab Room is closed to coaches, judges, and competitors.
- All fees must be paid before competition unless otherwise approved by me before the week of the tournament. I will drop any school the morning of with no payment and will send an invoice for the fines for late drop.

We believe these rules will promote fairness, timeliness, and encourage the rigor that is forensics competition.

Internet Access

Competitors will be allowed to use the Internet during their preparation time. CSCC has guest Wi-Fi access available in most areas. However, a perfect Wi-Fi connection is not guaranteed. Access to electrical outlets will be limited in the preparation room.

Tournament Observers

PATTERN A EVENT RULES

Radio Broadcasting:

In this event, each student will receive a packet of news-copy or a newspaper. The student will report to a preparation room where s/he will have 30 minutes to select and organize the material into a 5 minute radio news broadcast. Judges will listen to (not watch) the presentation. Throughout the broadcast, the timekeeper or judge will keep the student informed of time. Students may use their own introductory remarks and transitional material, but they may not introduce advertisements, fillers or any other material that is not present in the copy provided by the tournament staff. Time: 5 minutes; 5 second grace over or under time.

After Dinner [ADS]:

A speech designed to entertain the audience. This should not be a series of jokes, but should emphasize wit and creativity while following a central theme. It may be done with/without notes.

Maximum time limit: 10 minutes

Prose [PRO]:

Program may consist of single or multiple selections around a central theme. Manuscripts are to be used. Introduction and transitions should be delivered extemporaneously. Plays are not permitted. Maximum time limit: 10 minutes.

A contestant may enter two duos with different partners. Duo only counts once for Pentad competition.

Maximum time limit: 10 minutes. Time limit includes original introduction.

Maximum time limit: 10 minutes. Time limit includes original introduction.
