We will be using electronic ballots, so please bring a laptop computer and charger for judging Saturday. (If you are in need of a laptop or would prefer to hand-write ballots, please contact Nathaniel Wilson.)

Sweepstakes:

Team and individual sweepstakes points will be awarded based on placement in final rounds (12 points for 1st place, 10 points for 2nd place, 8 points for 3rd place, 6 points for 4th place, 4 points for 5th place, 2 points for 6th place, and 1 point for 7th place and below). Individual sweepstakes is open to all competitors.

Tabulation:

PLEASE NOTE: Speaker points WILL NOT be used in this swing. In the unlikely situation that there is an unbreakable 3-way tie, judges may be asked to assign speaker points.

Asynchronous Tournament:

Placings will be determined by cumulative rank. Ties in rank will be broken on: head-to-head, strength of opposition, and reciprocals. The top six speakers in each event will be awarded.

Saturday Tournament:*Prelims*

Contestants will advance to finals based on lowest cumulative rank. Ties in rank will be broken on: head-to-head, strength of opposition, and reciprocals.

Finals

Placing in final rounds will be determined by predominance of 1's, followed by lowest cumulative rank. Ties in rank will be broken on: judges' preference, reciprocals, and then prelim ranks.

Sweepstakes

Ties in team and individual sweepstakes will be broken on the number of finals, followed by the highest number of finishes in finals (1st's, 2nd's, 3rd's, etc.).

Limited Prep:

Extemp questions and Impromptu quotations for the asynchronous tournament will be posted on Speechwire, Saturday October 21st. Please include the 15 seconds read time and prep time for Impromptu recordings and do not include prep time for extemp recordings.

Judges at the in-person tournament will be instructed to provide 15 seconds of reading time on Saturday. Reading time will also be provided in the final round of impromptu, even if there is no printed text associated with the prompt.

Both tournaments, prelims will consist of traditional quotations. Saturday finals, the prompt will be an **object** related to the Barbenheimer theme.

Accommodations:

If you have a student or coach who requires any accommodations, please let us know. We will be happy to work with you to find a solution that best fits your needs.

Health and Wellness:

In order to help your students feel their best, we will provide complimentary breakfast and lunch for all competitors, coaches, and judges on Saturday. Vegetarian options will be provided.

It is also our priority to ensure that all attendees thrive in a safe and healthy environment. Masks are not required, however some students or judges may choose to wear a mask. Students may choose to wear a mask while performing; this should not impact the judges assessment of that performance.

We encourage everyone to do what they must to avoid triggers, microaggressions, or other harmful exposure. If any students or judges need to be blocked from a person or event for any reason, do not hesitate to let us know.

The Halloween Swing adheres to the AFA-NST open-door policy. Competitors and observers may leave the round as needed and shall not be penalized for exiting a round at any time. Please wait to return in between performances. Judges are encouraged to take a brief break as needed in between performances.
