## **Florida Forensic League, Region 6 World Schools Debate Motions**

**Round 1:** This house would make farming subsidies contingent on the adoption of Green Farming practices

**Round 2:** This house supports granting megacities autonomous control over their economic and social policy (e.g. immigration, health, criminal justice) with national taxation policy remaining under the federal government's control.

**Round 3 will be an Impromptu Motion.** This motion will be released to all WSD teams an hour prior to their Round 4 debate.

**Round 4:** This house supports universities treating students as customers.
