

2024 Eagle Valley High School's Hot Stuff Tournament

Extemporaneous Speaking Topics

We will run this as a true combined event. Kids can choose whether to do IX or DX in any round and can switch between rounds if they so choose.

Domestic Extemp.	International Extemp.
R1: Inflation and the U.S. Economy R2: Education Reform R3: Immigration Policy	R1: Global Trade and Supply Chains R2: Global Food Security R3: Women's Rights Worldwide

Value Debate Topics

I realize it's not typical, but I hope debates will be stronger if kids know the topic of each round before the tournament. Hopefully, this will help guide your practices/prep this week.

Round 1	Local Sports
Round 2	Education
Round 3	Healthcare

Impromptu

I do not have topics for each round of impromptu, but I will tell you that our topics will be focused on current and historical events, pop culture, moral dilemmas, famous quotes, famous personalities, and historical figures (you get the idea - more substance!)

Congress Docket

Please use the link below OR you can download the docket from Speechwire.

There may be ONE more piece of legislation coming (for an 8th topic). I will update the link if that happens.

2024 Congress Legislation	LINK
