### Emily Kurz judge credentials

The following questionnaires are used by tournaments to either indicate your judging preferences to entrants, or to show that you have completed various judge training or certification courses that tournaments or leagues may require or encourage. Tournament administrators will be able to see whether you have completed a required certification. Unless you opt out, completed trainings and certs will appear (with badges, if any) on your Tabroom public paradigm, if you have one.

Cert	Description	Circuit	Status	Take
