## A Resolution to Encourage the Recognition of Western Sahara

1   **WHEREAS** Principles of self-determination and democracy, which we in the United States claim to hold  
2                   dear, demand that we support Indigenous peoples seeking self-government, as the Sahrawi  
3                   people have long been attempting to do with the state of the Sahrawi Arab Democratic  
4                   Republic, commonly referred to as Western Sahara; and

5   **WHEREAS** International law and cooperation similarly demands that we respect and uphold the 1975  
6                   International Court of Justice Advisory Opinion on Western Sahara which found that  
7                   Morocco has no right to rule over Western Sahara if the Sahrawi wish to govern  
8                   themselves; and

9   **WHEREAS** Recognition of Western Sahara would have positive consequences in terms of  
10                  humanitarianism and local geopolitical stability, while also opening up strategic economic  
11                  and defense opportunities for the United States in the region; now, therefore be it

12   **RESOLVED** by the Congress here assembled that the Executive Branch is strongly encouraged to  
13                  recognize the Sahrawi Arab Democratic Republic and to establish an embassy in El Aaiún as  
14                  soon as is practicable; and be it

15   **FURTHER RESOLVED** that Congress encourages the rest of the international community to make haste  
16                  in following suit.
