

National Speech & Debate Tournament

Single Entry Letter of Intent

Instructions: If a student auto-qualified by placing in the top 14 of a main event, top 4 of BQ, or top 8 of WS at the previous year's Nationals, complete Section A (and Section B if they forfeit auto-qualification). If the student is not an auto-qualifier, skip to Section B.

Student Name	NSDA District
School	State

NOTE: Students may enter only one event at the National Tournament. Districts may choose to allow double entry across speech and debate events at the district tournament, and students always can enter Congress or Big Questions regardless of entry in other district tournament events. Therefore, students must establish (**prior to entering** a second event at the district tournament) which event they prefer to attend at the National Tournament, should the student qualify in more than one event. **This form MUST be completed PRIOR to the beginning of the district tournament date in which a student potentially double qualifies. Failure to produce this signed form will result in disqualification from the tournament or denial of double entry. The following scenarios necessitate completion of this form to determine qualification preference:**

- At the prior National Tournament, the student auto-qualified for this year's tournament due to placing in the top 14 of a main event.
- On an earlier district tournament weekend, the student qualified in a solo event (Congress, LD, IX, USX, OO, DI, HI), and is now entering another solo event.
- The student has been entered in one or two solo events, and also may be entering Congress.
- If two students qualify in a partnership event (Policy, Public Forum, or Duo) and a solo event, the student must attend the National Tournament in the partnership event, **unless both** students qualify in each of their respective solo events. Therefore, this form must be completed when:
 - Two students have qualified as teammates in Policy, Public Forum, or Duo, and each is entering a solo event, **or** both are entering (as the same team) in Policy, Public Forum, or Duo. (**NOTE:** Students may never double enter in Policy and Public Forum, but may double enter in Duo and one other team debate event if entered as the same team.)
 - The student and partner **both** have qualified in a solo event and both have entered Policy, Public Forum, or Duo as teammates.

If a student would like to be considered for a district-level WS team, you should indicate their preference below, even if the district has not yet issued invitations for the team. If a student prefers WS higher than an event in which they qualified, and are selected by their district for the WS team, that student is required to participate in WS and will relinquish any previously qualified slots immediately. A qualifier in BQ may not forfeit their qualification spot in a main event; however, a BQ qualifier may choose to attend Nationals in BQ over WS.

— SECTION A — This section to be completed by auto-qualifiers from last year's tournament only; otherwise skip to Section B.

Auto-Qualifier Acceptance:	<input type="checkbox"/> I accept auto-qualification in the following event, which means I am ineligible to qualify to the National Tournament in any other event, although I may still enter up to two speech/debate events, plus Congress.
