

## **A Bill to Establish Inclusive Bathrooms in All Federal Buildings**

1      Be it enacted by this Student Congress here assembled that:

2      Section 1:      The United States government shall mandate the creation of single-  
3                              occupancy restrooms that are accessible to individuals regardless of  
4                              gender identity in all federal buildings.

5      Section 2:      A “single-occupancy restroom” is a fully enclosed space with a lock that  
6                              can only be used by one person at a time, or by one person assisted by  
7                              another. It typically contains a toilet, sink, and no more than one urinal.  
8                              They would be labeled as “all gender” and identified with gender-  
9                              inclusive signage.

10     Section 3:      The Occupational Safety and Health Administration (OSHA) shall  
11                              oversee implementation and compliance of this legislation.

12     Section 4:      The bill will take effect July 1, 2025.

13     Section 5:      All laws in conflict with this new policy are null and void.
