

# The Green Transition Act

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

1   **SECTION 1.**   Over the course of three years, all federal subsidies currently allocated to  
2                   the fossil fuel industry shall be redirected to support renewable energy  
3                   initiatives.

4   **SECTION 2.**   Renewable energy is defined as energy derived from natural sources that  
5                   replenish without depletion. This includes, but is not limited to, solar, wind,  
6                   and hydroelectric power.

7   **SECTION 3.**   The U.S. Department of Energy (DOE) and the Environmental Protection  
8                   Agency (EPA) will be responsible for implementing and overseeing the  
9                   reallocation of these funds.

10 **SECTION 4.**   This legislation will take effect on January 1st, 2025

11 **SECTION 5.**   All laws in conflict with this legislation are hereby declared null and void.
