

*Clark and Rae Peters Invitational
October 26-27, 2024*

September 2024

You and your students are cordially invited to attend the Clark and Rae Peters Invitational tournament, which will be held **in-person** at the Forest Grove campus on **Saturday and Sunday, October 26-27, 2024**. We are honored to host this event on behalf of Clark and Rae Peters. Of all places, Clark and Rae first met in speech class while attending Pacific University. Their bond grew until they eventually married in 1965, shortly after graduating. Clark and Rae have been long standing supporters of Pacific's forensics, communication, education, and speech pathology programs, and the Nā Haumāna O Hawai'i club. If you wish to read about their enduring commitments to Pacific, feel free to read the following articles: [Modeling Success](#) and [Speech-Language Pathology Scholarship](#)

The Clark and Rae Peters Invitational is a two-day tournament that permits students to enter in IEs and IPDA. In addition to the traditional **11 NIET events**, we will also offer Editorial Commentary. Novice divisions will be offered in extemp, prose, impromptu, informative, and IPDA. The tournament will adhere to the AFA-NIET and Northwest Forensics Conference Codes of Ethics.

Please let us know if you have competitors, coaches, or critics who need ADA accommodation. Feel free to contact us with any questions you have about our tournament. We look forward to seeing you in Forest Grove this October!

GENERAL GUIDELINES

DIVISIONS: We will offer open divisions for all events and novice divisions in **extemp, prose, impromptu, informative, and IPDA**. Please use the following guidelines to determine the appropriate divisions for your students:

- **Novice** – Students in the novice division must be undergraduate students in their first two years of collegiate forensics and have fewer than three trophies per category (interp, debate, etc).
- **Open** – Students in the open division must be undergraduate students with less than four years of intercollegiate forensics experience.

ENTRIES: Students may *triple-enter* within either pattern of competition, UNLESS they are in Extemp or DUO. Students in EXT or DUO may only double enter in their respective patterns. Students are responsible for making it to every round. Students who are triple-entered and fail to make it to a scheduled round will NOT be allowed to make up the competition.

RESTRICTIONS: If we run into issues with entries, divisions or availability of judges, we reserve the right to impose the following restrictions as needed.

- **Teams Limits** – We reserve the right to restrict team entries as needed for the tournament.
- **Division Limits** – If there are less than 5 entries in an IE event, we will collapse novice into open accordingly.

Students should prepare a 3:45-4:00 min persuasive manuscript on a current affair that attempts to influence audience perceptions on the selected topic. IPDA DEBATE

The IPDA divisions will use the rules as presented in the IPDA constitution with a 5-2-6-2-3-5-3 format and 30 minutes of preparation. Debaters will be presented with 5 resolutions focusing on recent news and current events, and each side will have two strikes.
