Betty Davis East Anchorage High School
Invitational

BDEAHS DDF is excited to invite you to our first tournament hosted by our program in recent years (if not the first hosted in our school). The tournament will be hosted Friday, October 25th and Saturday, October 26th. We will be using Speechwire for tabulation and entries, so watch your emails for a link.

Debate Topics: October Topics

Comm Topics: R1- Phobias R2: Witches -

Final: Anchorage Issues

Things to Know

The tournament will use roughly the same space as State DDF: We will have team tables in the commons for students and use the library for Draw.

You may notice that **debate rounds are one hour long**. This is an experimental change to fit our tournament into the tighter schedule caused by the school time change. Policy debate rounds will run 30 minutes into the next individual event round. Policy debaters will be specially coded to perform last in their pattern events and judges will be informed to wait for late arriving debaters.

We plan to take advantage of our extra time to have a **spectator friendly finals/awards**. Debate finals in format with the most entries will have finals on the stage in the auditorium, and we have set aside time for many command performances during the award ceremony. Please plan on attending and possibly performing!
