

Impromptu:

"Stop playing video games, it makes yours boring, uninspired and self-referential!"

Mario Von Rickenbach - Game Developer

"I was always a gamer at heart but I never thought I'd become a game developer."

Roger Hicks - Game Developer

"Something about adding a title screen with a menu to a game makes it feel more real."

Zachary Johnson - Game Developer

"It's better to have one crappy game on the internet than 10 marvelous games in your head."

Johnny B - Game Developer

Extemp:

Which current Supreme Court Justice's presence on the court contributes the most to the erosion of public trust in the institution?

Who stands to benefit the most from the United Nations Intergovernmental Negotiating Committee's (INC-5) failure to reach an agreement on a plastic pollution treaty?

Should Medicare and Medicaid cover weight loss drugs as treatments for obesity?
