

LP PROMPTS

Quotations and extemp questions will be posted to the tournament's speechwire page at 9pm on Sunday, December 1st. We trust all students and coaches to adhere to Limited Prep guidelines and honor code for preparation. Ext prep does not need to be included in the performance video. However, please include prep time in all Impromptu videos (this can make starting the video camera easier for students, and assessing time allocation possible for judging).

All Imp judges will be reminded to allow an initial 15 seconds for competitors to read the quotations before beginning time.

TABULATION

There will be three rounds, no finals.

Final Placings will be based on lowest cumulative rank. Ties in rank will be broken on: Strength of Opposition, Head-to-Head, Reciprocals.

If an event is small enough to only require one section, final placings will be based on predominance of ones, followed by lowest cumulative rank. Ties in rank will be broken on: judges' preference, and then reciprocals.

Team and Individual Sweepstakes points will be awarded based on the following formula: 12 points for first, 10 points for second, 8 points for third, 6 points for fourth, 4 points for fifth, and 2 points for sixth. Ties in team and individual sweepstakes will be broken on number of finals followed by number of 1st' place finishes, 2nd' place finishes, etc.
