

Dear Colleagues,

On behalf of the Texas Intercollegiate Forensics Association and the University of North Texas, it is my pleasure to invite you to the TIFA State Championship Tournament **to be held in person on the UNT campus 1/31 – 2/1, 2025**. The tournament is open to TIFA members only and will offer competition in all AFA-NST individual events, as well as NPDA, IPDA and NFA-LD styles of debate. Tournament staff will use [SpeechWire](#) for registration, tournament tabulation, event postings, ballot distribution, and information sharing.

On Sunday, February 2nd, UNT will host the second half of the swing. The **Mean Green Invitational** will offer competition in all AFA-NST individual events. Please find additional information at their [SpeechWire](#) tournament page.

We hope that you will join us for what is sure to be a weekend of fun and quality forensics competition.

Best Regards,

Jeremy Hutchins, Texas State University

President, TIFA

Texas All-State Forensic Squad

Every year, TIFA names an All-State Squad to recognize students who have excelled in forensics (in individual events, debate, or both) at either the 2-year or 4-year level while maintaining high levels of academic achievement and who are recognized as exhibiting strong character and leadership skills. To be considered for the All-State Squad, coaches must fill out the [All-State Squad Form](#) on the student's behalf and submit it by the end of Saturday registration for the Spring TIFA tournament.

Novice Awards

At the Spring Championship, TIFA recognizes the Top Novice and Top Community College student in each event category, whether or not they advance to the event final. The same student may win both recognitions in addition to placing in the event itself. A separate novice final round will not be held. **Please identify novice competitors when you register.** For the purposes of awards, a "novice" is defined as a student in their first two semesters of collegiate competition. In team debate and Dramatic Duo, both members of the team must meet TIFA novice requirements to be eligible for novice awards.

Interstate Oratorical Association

The first and second place competitors in Persuasive Speaking at the TIFA Spring Championship will represent Texas at the Interstate Oratorical Association National Tournament.

Individual Events

Students entered in individual events may not enter IPDA debate. Contestants in prepared events may not perform materials used by the student in competition prior to September 1, 2024.
