In the coming weeks, we will continue to update SpeechWire with the latest information. Any changes made to this LIVE document after publication on Monday, March 10th, will be highlighted yellow.

ARRIVAL AT JOHN I. LEONARD HS

Charter Buses should arrive no earlier than 3:30pm Friday afternoon. They will drop off students in the bus loop, which is off Haverhill Road. All other means of transportation should arrive through the school's main gate off 10th Avenue North.

Please try to arrive as close to 3:30pm (without arriving prior to this time), so we can get the tournament up and running as quickly as possible on Friday. Classes dismiss at 2:45pm, but John I. Leonard has a population of more than 3,500 students, so arriving prior to 3:30pm will likely cause massive gridlock issues.

All tournament competitors, judges, and coaches will be required to go through metal detectors when entering the campus. Individuals should take their laptops out of any backpacks to expedite the process.

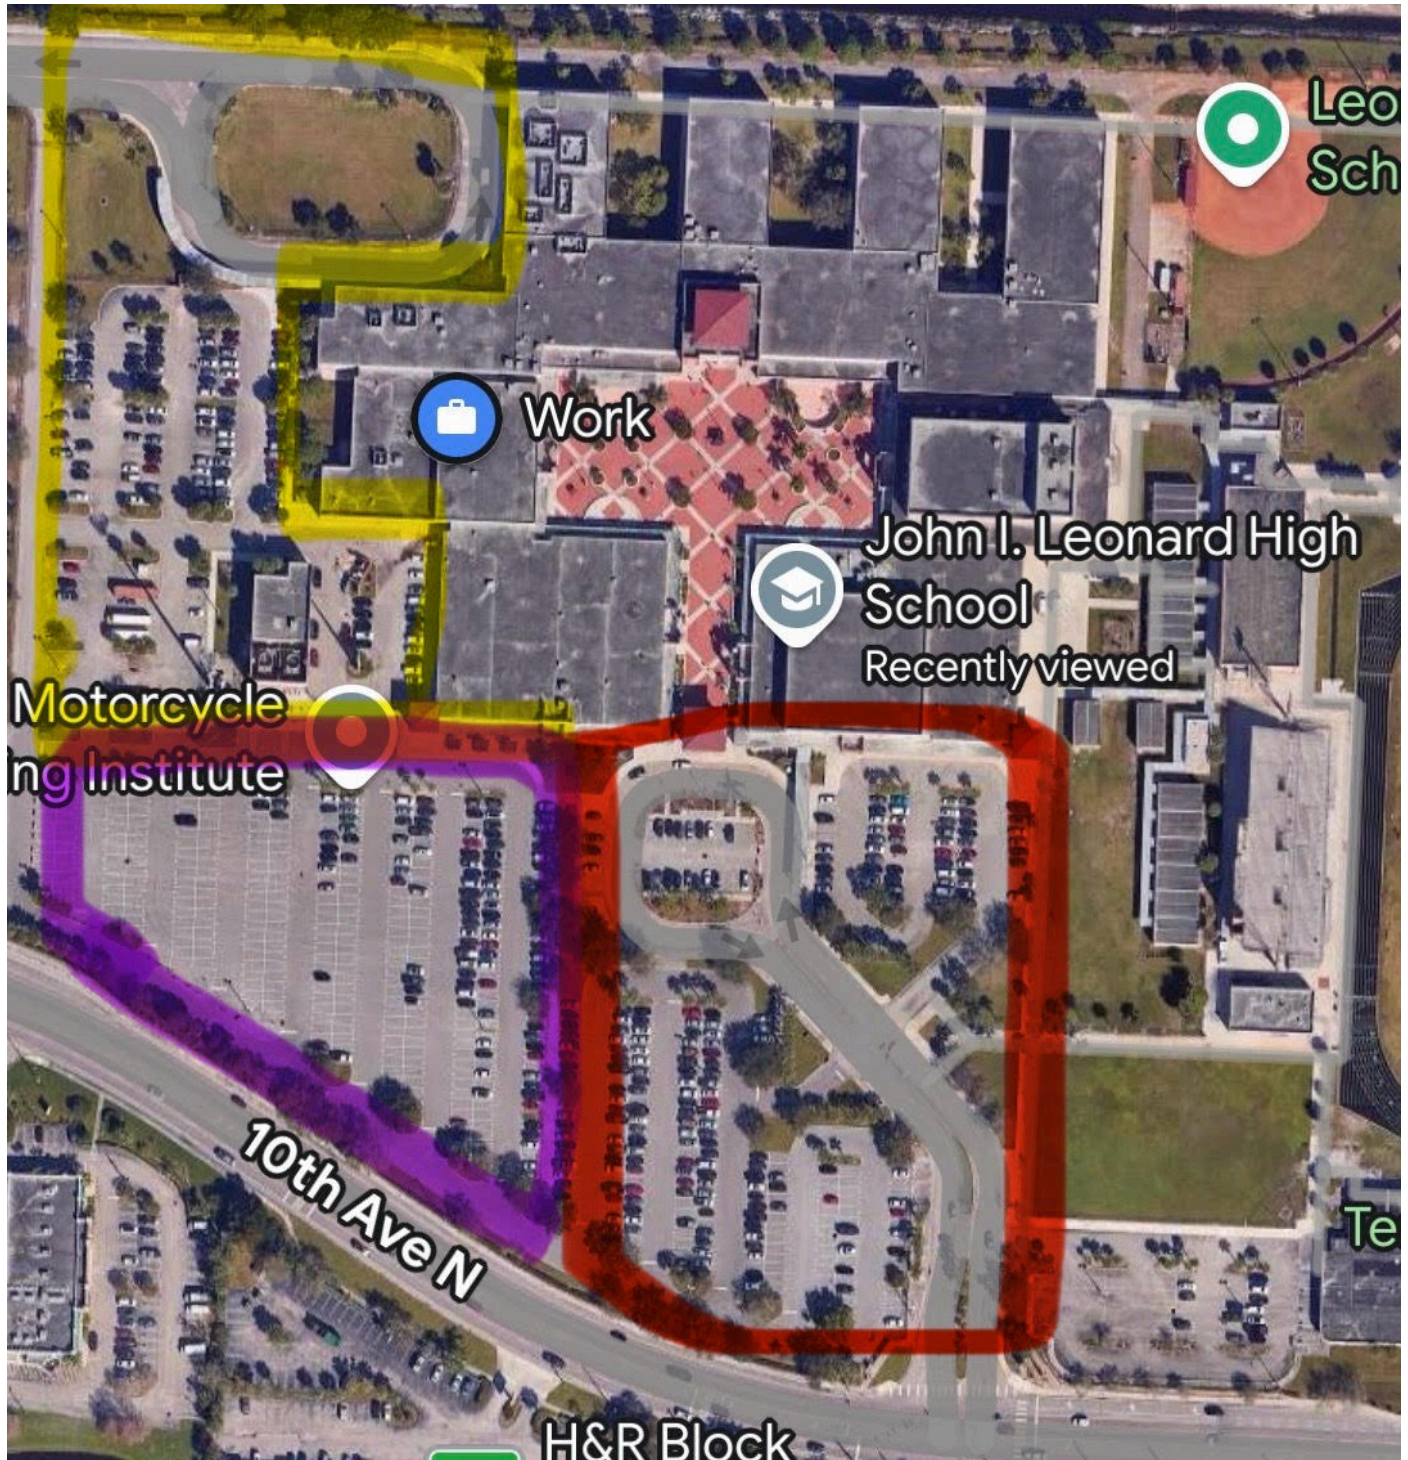

Students and coaches will report to the cafeteria for check-in. The Judge Lounge will be in the Media Center. Tab Room will be in the Media Center Lab, which is located within the Media Center.

PARKING OPTIONS ARE COLOR-CODED BELOW; A COPY OF THE MAP IS UNDER FILES FOR DOWNLOAD AS WELL.

RED: General Parking.

YELLOW: Charter Bus parking (in addition to the bus loop).

PURPLE: Overflow Parking with priority for Charter Buses first. It will be opened only after all Charter Buses have been parked.
